8% Organic Acids Complex

KEEP OUT OF REACH OF CHILDREN

WARNING

Causes skin irritation. Causes serious eye irritation. May cause respiratory irritation.

This product contains Boron. Application to any crops other than those recommended may result in serious injury.

PRECAUTIONARY STATEMENTS

Read label before use. Wear protective gloves/clothing. Wear eye protection. Wash thoroughly after handling.

STORAGE AND DISPOSAL

Store in original container only, out of direct sunlight. Store at temperatures above freezing and below 95°F. Store product and dispose of unused product and empty containers in accordance with federal, state, and local regulations.

GENERAL INFORMATION

N-Star™ is a liquid foliar fertilizer designed to increase nutrient use efficiency by providing necessary nutrients to the plant.

DIRECTIONS FOR USE

Mixing Directions- Be sure spray tank is thoroughly cleaned. Fill ½ full with clean water, add product, and continue filling with agitation.

Compatibility- N-Star™ is compatible with most fertilizers and biproducts. Always perform a jar test prior to large scale mixing.

SUGGESTED APPLICATIONS

Optimum rate of application will vary between fields depending on soil and/or climatic conditions, stage of crop growth, and size of plants.

Field & Vegetable Crops- Apply 2-8 quarts per acre during vegetative growth every 2-3 weeks as needed.

Permanent Crops- Apply 2-8 quarts per acre starting post bloom and continuing every 2-3 weeks as needed. Apply 1-2 gallons post-harvest.
